Expression of Interest

shopfront

Shopfront allows space within our artistic program to respond to offers put forward by community members. If you would like to pitch a project to us – this might be a collaboration, a new workshop, a production, or something else totally amazing – read on to find out how.

Before you submit your EOI, please give us a call or send us an email to discuss your idea.

Completed proposal documents can be sent to:

ideas@shopfront.org.au or call the office on (02) 9588 3948 to chat

REMEMBER: We finalise our yearly program in advance, so please submit your proposal no later than 6 months before your suggested project start date

.....

• ARTISTIC • POLITICAL • CULTURAL • SOCIAL • PERSONAL •

Please submit a proposal document of no more than **two (2) pages**, outlining your idea with as much detail as possible. You'll need to explain why you want to make it happen, and why Shopfront should be involved. Talk about why your idea is important to you, important to Shopfront, and important in a much broader sense.

Here are some questions we'd like you to address:

- How does your idea fit with Shopfront artistically, and how it might contribute to Shopfront and the Arts/Youth Arts sector?
- Is your idea saying something about, or does it relate to something that is politically relevant now?
- Does your idea address or relate to something socially or culturally – traditions, values, myths, symbols, class, ideologies – with Shopfront or more broadly?
- Why is your idea important on a personal level – for you, Shopfront, participants, audiences?

We will also need to know:

- **WHO** is involved (confirmed and unconfirmed) and **WHO** it is for (participants and/or audience)
- **WHERE** it might happen
- **WHEN** it might happen
- **ANY** other things you think we need to know (plans for the idea in the future, if it's been performed/tried before, special technical requirements, if you already have some funding or if you need Shopfront to foot the bill)
