

Theatre Floorplan
A3 @ 1:75

Drawn by Tyler Fitzpatrick

Elevation:

- Floor to ceiling: 5.73m
- Floor to grid 4.68m
- Floor to bottom of gantry 3.58m
- Floor to LX 1: 5.47m
- Floor to LX 2: 5.09m

Notes:

- Behind the black curtain is storage for venue equipment.
- This is permanent storage and should it need to be moved, this must be discussed prior to visit
- The gantry moves. It rolls across a rail between the back curtain and the bio box. It's fixed position is in front of the bio box
- Operators are located on the OP side of the seating bank but can also be done from the bio box
- A border covers the back of the seating bank
