Elevation:

The ceiling above the lighting grid in studio 2 is slanted, but the lighting bars are level.
Floor to lowest point of ceiling = 3.15m
Floor to highest point of ceiling = 4.09m

Floor to grid = 3.29m
Floor to curtain track = 3.09m

Notes:

- Ballet bars run parallel to the mirrors
- The seating bank standard position is collapsed
- The archway voids are used to store a piano and additional furniture, etc. If these need to be moved, notice must be given.
- A curtain track runs around the entire space.
