\*When a Venue Hirer holds a public performance, this requires additional service and advice from Shopfront staff, as well as additional wear and tear on the building and its equipment. This Performance Surcharge is a contribution towards the additional core costs required to provide this service.

\*\* Please note, Shopfront does not book technical staff for your hire unless requested by the Venue Hirer. A venue hirer MAY provide their own technical staff, subject to approval by Shopfront's Production and Operations Manager, and these technical staff can only be used for performances if Shopfront Front of House staff are on duty.

\*\*\* Please note, Shopfront does not book front of house staff unless requested by the Venue Hirer. A venue hirer MAY provide their own Front of House staff only if they have a Shopfront Duty Technician

\*\*\*\* Shopfront cleaners will regularly clean bathrooms, kitchen and public spaces. If hired spaces or public areas are left in a dirty or untidy state after your hire we will pass on the excess cleaning charges levied on us by our cleaners.

For staff to organise a thorough clean of amenities prior to a first performance, please let us know in advance and we will schedule our cleaners to complete this for you on a cost basis. This will need to be arranged no less than seven days prior.
